

Interprofessional long term care conference

COMMON SPEAKING EXPERTS

15-16 June 2017

MKPK Irodaház, Városligeti fasor 42.

Budapest, Hungary

ANNOUNCEMENT

COMMON SPEAKING EXPERTS

Esteemed Colleagues, Dear Friends,

The „Common Speaking Experts” interprofessional conference initiated by the Social Cluster Association and hosted by the Social Cluster and the Hungarian Association of Gerontology & Geriatrics (HAGG), will take place in Budapest on the 16th of June 2017.

The day before, on the 15th of June a special international expert meeting will be organized. This symposium – ELTECA – brings together a variety of experts in the field of long-term care from different organizations to deepen knowledge and cooperation in this topic within the Central Europe region and to promote information sharing among specialists, physicians, patients and the community at large.

As a satellite event will be held on the focus points of geriatric profession policy, about healthy and unhealthy aging, on the urgent need of interprofessional approach in elderly care, as well as on the problems of education of future professionals.

The main integrated messages of this special expert meeting will be mediated to the general conference.

We kindly invite you as our guest to **take part, to present your paper and to give your opinion on the main points at this expert meeting and participate in our additional program.**

We do believe you will enjoy the atmosphere of the international meeting.

We are looking forward to welcome you in Budapest, Hungary to speak about professional questions of elderly care, to formulate right answers and to find some innovative solutions.

Yours sincerely:

Ágnes Egervári, MD

President of Social Cluster Association

Prof. István Kiss MD, PhD

President of HAGG

Iva Holmerova MD, PhD

President of Alzheimer Europe
